

WELCOME BACK TO SCHOOL!

ABC's and 123's

its back to school for you and me!

Join the Kangaroo Kids classes for Back to School Night! The teachers always look forward to meeting the families and discussing all of the fun learning the children will be enduring throughout the upcoming school year! We will be covering curriculum, health and safety, and other highlights of our programs!

Our youngest learners will be have learning focus around their fine and gross motor skills, while our older learners will be continuing their hands on experiences and hopping into the exciting world of reading and writing!
