## Informed Consent and Waiver

In consideration of my child's participation in the Kangaroo Kids swim program, I have read and understand the following:

- Swimming is a physical activity involving heavy exertion. A swimmer must be in good general health, free from cardiovascular and respiratory disease, and have good exercise tolerance. Even momentary impairment of consciousness while swimming may be fatal.
- While swimming, the body is subject to a variety of influences that may become potentially hazardous. Some of these hazards include, but are not limited to, drowning, eye injury, head injury, and a variety of other bodily injuries such as broken bones.

I am fully aware, and thoroughly informed, of the hazards of swimming. I affirm, to the best of my knowledge, that my child is in good physical and mental health, and free from cardiovascular, respiratory, or other diseases or ailments, which could endanger him or her while swimming.

In full awareness of the above, and in consideration of my child's participation in this swimming program, I waive, release, and discharge any and all claims for death, personal injury, or property damage against Kangaroo Kids, its officers, agents, and employees which I may have, or which may hereafter accrue to me, as a result of my child's participation in this swimming activity. I agree to indemnify, and hold harmless, Kangaroo Kids, its officers, agents, and employees from any claim or loss for death, injury or property damage arising, in any manner, due to my child's presence or activities, in the course of my child's participation in this swimming activity.

It is further understood, and agreed, that this waiver, release, indemnity, and assumption of risk is to be binding on my heirs and assigns.
